

JEBB LONG

CHIEF TECHNICAL OFFICER
BIRMINGHAM, ALABAMA

JEBB.LONG@GCPREI.COM

CAREER HIGHLIGHTS / SPECIALTY OVERVIEW

In 1994 Jebb began his career as a field technician and web designer for a Columbus, Georgia Internet Service Provider. A year later he was working in Opelika and Auburn, Alabama as a service technician for local banks, real estate businesses and in support of Auburn University's IT contracts. In 1998, he moved to Birmingham and accepted a position at General Electric Capital IT Solutions.

In January 2001, he was hired by Graham & Company as IT Director. Currently he is Chief Technical Officer for Graham Commercial Properties, overseeing all aspects of technology, security, web presence, telecom, and infrastructure planning for both Graham and GCP.
